

NAGOYA UNIVERSITY HOMECOMING DAY 2011

"Cultivating our Future: Humanity, Greenery and Food" DATE: October 15, 2011 (Sat)
PLACE: Nagoya University Higashiyama Campus / FEE: Free (Open to the public)

HOMECOMING DAY INFORMATION

Nagoya University began its history in 1871 with a temporary hospital and medical school, and reached its 140th anniversary this year. We consider alumni, students, parents, and the local community living near our University, who have kindly supported us through this long history, as it were, our family. For the 7th HOMECOMING DAY, we have the pleasure of inviting our "family" to our University. We are planning various elaborate events and are using every effort to prepare for them. We look forward to our Homecoming Day and hope that many of our "family" will come home to enjoy the day and celebrations with us.
