GSID Alumni Directory was sent out by email on August 22, 2017. Please let us know if you have not received it. Here is the message from Prof. Noda, President of GSID Alumni Association.

Dear GSID Alumni

It is our great pleasure to share information of our members around the world. As I started my presidency last year, I have actively committed to GSID Alumni activities; for example, I visited GSID Alumni Cambodia and organized GSID Alumni Tokyo. With vice presidents, Professor Shimada and Professor Ushida and other members, I would like to promote sustainable development of our GSID Alumni global network. We are very much happy to support the voluntary activities of alumni around the world. We will start a small grant funding for the alumni activities. We are also happy to organize ad-hoc reunion either in Japan or overseas. When you will come back to Japan, please inform us and when will visit your countries, we will inform you. On line, we started up the direct link from GSID home page to the GSID Alumni page. We are planning to make the link from voluntary GSID Alumni SNS pages and groups to the official page.

For the residents in Japan, we will organize the annual party on 21 October in Tokyo for this year. I am looking forward to seeing you at the party and/or somewhere in the world. Please stay in touch with our alma mater.

Yours sincerely,

Professor Masato Noda

President
